I have nine years of working in the casino business, with experience in most traditional and carnival games, and I'm currently looking for my next career move in the industry. I'm passionate about the industry and creating positive and enjoyable customer experiences in a professional and service-minded way. My experience includes working in two cities in my native country of Georgia, where I was promoted to the role of supervisor.

Professional Experience:

Radisson Blue Tbilisi Casino (Tbilisi, Georgia)

TG Floor Supervisor

September 2009 – February 2015

Here I supervised roulette, blackJack, poker and carnival games, with responsibility for the conduct of company policies, procedures and internal controls. I oversaw the win/loss of the customers at table games and verified all gaming table transactions in supervised area. As supervisor I coached dealers to create an upbeat and friendly environment while also taking responsibility for following dealing procedures and keeping proper game pace.

Sputnik Casino (Batumi, Georgia)

Table Games Dealer

January 2009 – September 2009

My experience allowed me to deal in more games, including blackjack, roulette, Texas poker, three-card poker and carnival games. I strove to create a friendly and helpful manner with an upbeat and positive attitude. I was responsible for assisting guests not familiar with the games. I was required to have an effective working knowledge of dealing policies and gaming procedures and to let supervisors and managers know about any unusual or irregular play and about disputes.

Casino Berikoni (Tbilisi, Georgia)

Table Games Dealer

April 2007 - December 2008

Grand Casino Sakartvelo (Tbilisi, Georgia)

Table Games Dealer

August 2006 - January 2007

At the beginning of my career I focused on blackjack, roulette, caribbean stud and three card poker. Within two years I could conduct a full suite of traditional and carnival games.
